

A Peek at our Week Newsletter

Hear! Hear! Hear All About It! This is the first week of Instructions.

It was great meeting most of you during the last two weeks of assessment. Regardless of the craziness from the end of last school year, most of the students did not display any regression! Thank you parents and guardians.

If you haven't done already, please make sure you pick up your student's packet at the front office. The packet contains the daily worksheets and instructions that we will be going over daily during Zoom from 9:00am – 11:30am Monday-Thursday for this entire week. The packet also has instructions on how to log into other resources for the Social Distance Learning for the entire term.

Any questions, you may email me through our website: Kumufolau.weebly.com or send me a Remind message. I am available to respond between 8:30am-4:30pm, but NOT during Zoom hours. Thank you. See your child on Zoom at 9:00am Mon-Thursday and 11:10am-12:10pm on Fridays.

Note to Parents: We are going to be operating in code **ORANGE** for the first couple of months of school. Here are what the codes are and what they mean:
Green = Normal Classroom Instruction; **Yellow** = Hybrid Instruction; **Orange & Red** = Virtual Instruction. Again, refer to phlearning.org and our Crew website for latest updates: Thank you for your cooperation.
