

A Peek at our Week Newsletter

Hear! Hear! Read All About It! 2nd Week of Instructions is Here!

Welcome back to the second week of instructions: August 24-28, 2020.

Your report of completed assignments and attendance for last week (8/17-21) are posted on ClassDojo for your information and viewing. If you haven't seen it already, please check it out on your individual portfolio in ClassDojo. The following table is our weekly instructional guide. As a friendly reminder, once you are done with the assignments for each day:

1. Check to make sure each problem is solved or completed (unfinished work will be returned);
2. Take a clear picture of the assignments before posting (no blurry or unclear pictures will be accepted);
3. Post them up on ClassDojo to get credit for them.
4. Check your ClassDojo points every Friday evening to see how you are doing.

Each day's instructional video is posted on this website under the current week: "Aug. 24-28, 2020 Instructional videos". I would recommend you replaying it if you are NOT clear on any of the day's instructions.

Any questions or concerns, click on "Contact Me" to send me an email. Or you may contact me through Remind. If you haven't signed up for the app Remind yet, please do so by clicking on the link that was sent to every parent. Thank you.

Kumu Folau

Note to Parents: We are going to be operating in code **ORANGE** for the first few months of school. Here are what the codes are and what they mean:
Green = Normal Classroom Instruction; **Yellow** = Hybrid Instruction; **Orange & Red** = Virtual Instruction. This information is available on [PHA website](#). Thank you for your cooperation.
