

## A Peek at our Week Newsletter

### Hear! Hear! Read All About It! 4th Week of Instructions is Here!

Welcome back to the fourth week of instructions: September 8-10, 2020. Technically, it is the 6th week of school since school opened on August 3, 2020 for the school year 2020-2021.

Please check out our website: [KumuFolau.weebly.com](http://KumuFolau.weebly.com) It has all of our dates-at-a-glance and some other important information on how to get your student their own laptop.

As you all may be already are aware, we are going back to the initial schedule. The last few week's schedule was ideal but it wasn't working out for some of our friends that needed shorter time to stay engaged. For that reason, we are going back to the initial schedule. Please go the above website to check out the times and the schedule for both groups (A and B). I appreciate your patience and support.

Thank you parents, guardians, grandparents, etc. for your support of your student's Zoom/Virtual Learning experience. If you have any questions or concerns, contact me through our website provided above. Have a great week.

**Note to Parents:** We continue to operate in code **ORANGE** for the rest of Term 1. Here are what the codes are and what they mean:

**Green** = Normal Classroom Instruction; **Yellow** = Hybrid Instruction; **Orange & Red** = Virtual Instruction. This information is available on [PHA website](#). Thank you for your cooperation.

**Homework:** Week 4 Packet (available on our classroom website).

**Fun Read and Math Links:** All the links are on our website – [Kumu Folau Classroom Website](#)
