

A Peek at our Week Newsletter

Hear! Hear! Hear All About It! Assessment weeks coming up!

Welcome back to school for the year 2020-2021. It is an honor to have your student attending our unique Pacific Heritage Academy. We, as the 2nd Grade Crew, is honored to have your child in our village. It is an exciting time to be a student and a parent. School has taken a new "norm" since last school year and will be for the next several months, or longer. This first 2 weeks of school will be for assessments. The parental training will be for things and codes that will be used with our new Hybrid Model of Learning. This newsletter will be to inform you what State code we will be using every Monday. Or you may find the codes on the following informational link below. There are State Codes that we are going to be operating by, similar to the schools around our area of Salt Lake City. [Pacific Heritage Academy](#) website will have the code. This 2nd Grade Newsletter will have the code. And our [classroom website](#) will have the code. So, please, make sure you read the newsletter every Monday to stay inform. If you still have any questions, let me know or the front office know. Thank YOU! Again, WELCOME!

Kumu Folau and the 2nd Grade Crew

Note to Parents: We are going to be operating in code **ORANGE** for the first couple of months of school. Here are what the codes are and what they mean:

Green = Normal Classroom Instruction; **Yellow** = Hybrid Instruction; **Orange & Red** = Virtual Instruction. Thank you for your cooperation.

....Kumu Folau and Crew

Homework: None for these 2 weeks

Fun Read and Math Links: All the links on our website – [Kumu Folau Classroom Website](#)
